The Honorable L. G. McKinley  
County Judge  
Upshur County  
Gilmer, Texas

Re: Diana Water Supply  
Corporation

Dear Judge McKinley:

Enclosed are detailed construction plans pertaining to the routing of all sewage collection and treatment facilities, proposed for construction by the Diana Water Supply Corporation.

In my original letter of transmittal dated December 7, 1970, I enclosed a form of resolution for consideration and adoption by your Court. I neglected to draft in this resolution, however, that both water and sewer lines would be subject to installation on the county roads of Upshur County.

Enclosed therefore, is a revised resolution which I trust you and your Court will consider for approval. Thanking you for your kind attention to this resolution revision and with very best wishes I remain

Yours very truly,

*John O. Davis*

Resolution \_\_\_\_\_

THE STATE OF TEXAS )

COUNTY OF UPSHUR )

BE IT RESOLVED by the Commissioners Court of Upshur County, Texas, duly convened and with quorum present, to-wit:

WHEREAS Diana Water Supply Corporation, a non-profit corporation formed by certain citizens of Upshur County, Texas, for the purpose of establishing a central water supply and sanitary sewer system for the community of Diana in Upshur County, has made application to this Court for permission to install water and sewer lines as per the attached map or plat of the proposed water and sewer system; and

WHEREAS after examination of said plan and the facts surrounding same, it is the opinion of this Court that the best interests of Upshur County will be served by allowing said lines to be so laid, and being further convinced that by the location of any lines along any county right-of-way shown on said plat will not inconvenience or cause expense to the county or any citizens therein;

THEREFORE, BE IT ORDERED by the Commissioners Court of Upshur County, Texas that Diana Water Supply Corporation is hereby granted the right to lay and maintain its water and sewer lines along any county lands shown on the plat attached hereto and made a part hereof upon the condition that said lines are laid at sufficient depth to allow and not interfere with the proper maintenance of said roads and right-of-way and further conditioned that in the event future road improvements necessitate the removal of such lines, the expense of such removal shall be borne by the corporation.
