**UPSHUR COUNTY COMMISSIONERS COURT**  
GILMER, TEXAS

Commissioners Court met in Regular Session with all members present.

The following resolution was presented and approved as read:

Be it resolved by the Commissioners Court of Upshur County: Any person, company, corporation or any entity proposing to lay line, cable, pipe or any other objects on County Right of Way or crossing County roads whether surfaced or unsurfaced, the following rule shall apply-- The person, company, corporation, or entity desiring to lay such line, cable, pipe, pipeline or other object on County Right of Way shall first obtain written permission from the Commissioners Court, form provided by Upshur County, for each entry upon County Right of Way. It shall be unlawful to make any entry upon County Right of Way without the approval of Written Contract first submitted to Commissioners Court.  
Lines, cables, pipelines or any objects now on County Right of Way placed without written contract shall be submitted for approval by the Court.

This resolution approved the 9 day of July, 1974.

Ernest Dean  
E. P. Noble  
Carroll Lusk  
Chas. L. Still
