

PERMIT APPLICATION FOR
USE OF UPSHUR COUNTY ROADSDate June 10, 1977TO: THE UPSHUR COUNTY COMMISSIONERS COURT
COUNTY OF UPSHUR
GILMER, TEXAS 75644

Formal notice is hereby given that WESTERN GAS CORPORATION proposes to place a buried pipeline across and within the right-of-way of County Roads as shown on attached plat.

The location and description of the proposed pipeline and appurtenances is more fully shown by the attached drawing and plat. The line will be constructed and maintained on the county right-of-way as directed by the Commissioners Court in accordance with current Upshur County specifications.

All work on the county right-of-way shall be performed in accordance with the County Commissioner's instructions. All drainage ditches and surfaces shall be restored to their original form as near as possible. Adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners.

It is expressly understood that the Upshur County Commissioner's Court does not purport, hereby, to grant any right, claim, title, or easement in or upon this county road; it is further understood that in the future should for any reason Upshur County need to work, improve, relocate, widen, increase, add to, or in any manner change the structure of this right-of-way, this pipeline is affected, will be moved under the direction of the Upshur County Commissioner and shall be relocated at the complete expense of the owner.

Proposed operations will begin on or after the 15th day of June, 1977.

SPECIAL ROAD USE AGREEMENT CONTRACT

THE STATE OF TEXAS X
COUNTY OF UPSHUR X

The undersigned, Western Gas Corporation, hereinafter referred to as First Party, enters into and makes an agreement with Upshur County Commissioner of Precinct NoS 394, Upshur County, Texas, and in order to get material to market, it is necessary to construct a pipeline across and within a portion of Upshur County roads located in Precinct NoS 394, over which Commissioner has jurisdiction and obligation to maintain in good repair and both parties being aware of possible damage to said roads as a result of pipeline construction on and over same, enter into the following agreement.

1.

First Party agrees to use only those sections of roads as shown on Exhibit "A" attached.

2.

First Party agrees to construct its pipeline in such a manner as not to block or interfere with other traffic on said road so that said road will be open to travel by the public at all times.

3.

First Party agrees to grade, maintain and otherwise repair said road using its own equipment, labor and materials, if any needed, during the duration of time that First Party is conducting pipeline construction operations on its lands located in Precinct NoS 394, Upshur County.

4.

First Party agrees to put said road back into the same condition as it was prior to the commencement pipeline construction operations on the part of the First Party.

5.

Nothing herein shall be construed as a waiver by the Commissioner of the authority granted him by Article 6716, V. A. C. S., but the rights and authority granted the Commissioner by the terms of Article 6716, V. A. C. S. are expressly reserved by the Commissioner in the event First Party fails to abide by the conditions above set forth.

WITNESS our hands this the 10th day of June, 1977.
