The Honorable Everett Dean

Gilmer, Texas 75644

Dear Judge Dean:

I have accepted the elementary principalship at Hughes Springs and will soon move from Upshur County and the six county region served by the Sabine Valley Mental Health-Mental Retardation Center. This move makes it necessary that I resign as Upshur County's trustee to the Sabine Valley MHMR Board of Directors effective Aug. 30, 1978.

I am very proud to report to you that the Center continues to provide a variety of services to the area with remarkable success. I am especially proud of the scope and quality of services being provided in our county and wholeheartedly urge your continued support of this organization and if at all possible plan to increase the County's financial contribution for next year. I can assure you that the delivery of services is the highest priority of the Center and I believe that the program reflects that.

It has been a pleasure to serve Upshur County in this capacity.

Sincerely,

Stuart Daniels
