Dear Judge:

As a Board member of the Northeast Texas Health Systems Agency, I am responsible for securing Board appointments from the area county judges. We need a consumer representative to serve on the Board of the Health Planning Agency. Preferably, this person should be a black female consumer, aged 65 or older with income under \$10,000 per annum. The bylaws of the organization require that we ask the county judge from the county involved to make the recommendation for these consumer appointments. As soon as you are able, I would appreciate your recommendations for this vacancy. If you have any questions, please call me.

Sincerely,
