DIVISION ORDER
NO 33895

TO EXXON CORPORATION
HOUSTON TEXAS

Effective 7 am _____ See Below _____ 19 _____

Each of the undersigned represents that he is the owner of the interest set out below opposite his name in the oil and gas (defined herein to include all substances contained in such oil and gas) produced from or allocated to the land described hereinafter and until further written notice, hereby authorizes you or your designated agent to receive and measure such production in accordance with applicable governmental rules and regulations, giving credit as directed below. The land is located in Upshur County, Texas is known as SHENANDOAH OIL CORPORATION ** HOMER CLEMENS GAS UNIT and is described as XXXXX

This division order covers 12.40872% of production during the period April 15, 1976 through May 31, 1977; 14.31454% of production during the period June 1, 1977 through December 31, 1977; and, 16.92351% of production beginning January 1, 1978.

Refer to Exhibit "A" for Description
and Division of Interest

By execution of this division order, the undersigned in consideration of the premises does hereby adopt, ratify and confirm the Designation of Unit Instrument whereby the Homer Clemens Gas Unit was created, which Designation of Unit was filed for record on September 2, 1969 and recorded September 4, 1969 in Volume 117, Page 643 of the Oil and Gas Lease Records of Upshur County, Texas as the same may heretofore have been amended, ratified and/or supplemented and does, as to each lease included in the Homer Clemens Gas Unit in which the undersigned owns or claims an interest, hereby lease, demise, and let the land described in each such lease unto the lessee named therein and his successors and assigns.

The oil purchased by you shall become your property when run from the lease tanks or through other lease measuring facilities by you or any carrier or agency designated by you and settlements therefor shall be based on your posted per barrel (42 U S Gallons) price for similar oil for the field where produced in effect on the date of each respective run, provided that, during any period in which you have no posted price in effect for the field for similar oil settlements shall be based upon the posted per barrel related price shown on the face of this division order in effect on the date of each respective run. In the event the oil is sold to another purchaser at the lease or at a designated marketing point in or near the field, settlements shall be based on the same net per barrel price realized at the wells by you. For settlement purposes, the term "oil" shall include condensate.

Settlements for gas sold at wells or at a central point in or near the field where produced shall be based on the net proceeds at the wells. If the gas is processed in or near the field where produced settlements shall be based on net value at the wells with such net value being determined as provided in the agreement between the producer and the processor, or in the absence of such an agreement, on the same basis as settlements to other producers of gas of like kind and quality processed at the same plant. Where gas is sold subject to regulation by the Federal Power Commission or other governmental authority, the price applicable to such sale as approved by order of such authority shall be used as a basis for determining the net proceeds at the wells or the net value at the wells. For all other gas sold or used off the premises, settlements shall be based on the market value at the wells.

Settlements shall be made monthly by your check mailed to the respective parties set out above, however, if the proceeds for any one month amount to less than \$5.00, you may defer settlements until the accruals total that sum, provided that if no payment has been made during the calendar year, payment of accumulated amounts shall be made in the month of December of that year.

You are hereby relieved of any responsibility for determining when any interest herein set forth has been increased, decreased, terminated, or transferred and the undersigned agree to give written notice to you of any such change and to hold you harmless from all loss or expense that may result from any incorrect payment in the absence of such written notice.

In case of an adverse claim or dispute which affects the title of any ownership credited hereunder, the parties credited hereon with such affected ownership severally authorize you to withhold payments accruing to such affected ownership without obligation to pay interest on the amount so withheld until corporate indemnity bond acceptable to you shall be furnished or until the claim or dispute is settled.

In the event all or any portion of the land described herein or any formation underlying same be included in one or more units now or hereafter formed or revised by order of any appropriate governmental authority or in one or more duly authorized voluntary units now or hereafter formed or revised, it is agreed that this division order shall be subject to such unit or units so formed or revised, and that settlements shall be made in accordance with the production allocated to said tract or formation without requiring the execution of additional division orders.

This division order may be executed in counterparts and shall be binding on and shall inure to the benefit of all signers hereto, their heirs, successors, and assigns whether or not it is executed by all parties named herein.
