Dear Sirs:

The Commissioners Court of Upshur County designates Pheasant Trail road as the number one priority for the next farm to market road in Upshur County.

The road leaves FM 726 on the east side of West Mountain, angling southeast to East Mountain where it intersects with FM 1844 and FM 1845. Pheasant Trail is a distance of 3.7 miles.

This is an asphalt road and due to the bustling activity in Gregg County, it has become a very essential link in our network of county roads.

Your careful consideration of this request will be appreciated.

Sincerely,

*Everett Dean*
