Dear Mr. Hill:

In order to make budget planning as easy as possible, it is the policy of Business Records Corporation to have price evaluations only once a year, this taking place in January. These prices are held for a period of one year and no other adjustments are made.

In an attempt to keep our prices as low as possible and still maintain the service you have come to expect, we will hold all increases to a maximum of 4 per cent. Your 1984 billings from Business Records Corporation will not exceed a 4 per cent increase over your 1983 billings. We hope this plan will help simplify your budget planning.

Thank you again for your association with Business Records Corporation and we look forward to a successful 1984.
