This is to inform you of a special problem that exists in the Ore City I.S.D. The residence of Mr. Johnny Stanley, situated off Periwinkle, lies on one of our regularly established bus routes and serves as a turn-around point for the bus.

The problem we are experiencing is that the stretch of road leading to the B.R. and Johnny Stanley residences (off Periwinkle) is only partially surfaced and the actual turn-around area itself is totally unsurfaced. In wet weather, maneuvering a school bus safely in this location becomes very difficult and hazardous.

Our request is that you consider granting permission to our precinct commissioner, J.W. Meadows, to utilize county owned equipment to repair and surface the area in question providing that the oil and sand be provided at no cost to the county.

Your consideration of our proposal will be appreciated.

Sincerely,

Tommy L. Ferguson  
Superintendent

Re: Abandoned well request

TO WHOM IT MAY CONCERN:

The Upshur County Health Department has received a request from Dean Rice asking that the old abandoned well located on his property on Coyote Road be filled. Mr. Rice stated that this well has not been used in several years and that it poses a hazzard to people and animals alike.

Our Department therefore recommends that this well be filled in order to eliminate said hazzard.
