To: County Judges
From: Scott C. Smith SS
Executive Director
Subject: FY88 Course Offerings

Beginning in September of this year and culminating in May of 1988, the Justice Court Training Center will offer twenty-four seminars for Justices of the Peace, court personnel, Constables and deputy constables. A list of locations and dates is enclosed for your records.

Statute and Supreme Court rules require all Justices of the Peace to complete a forty hour course within one year of taking office and a twenty hour course each year thereafter. There is no "grandfather" clause. While there is no mandatory provision for Justice Court Clerk or Constable Civil Process training, these programs are outstanding and will considerably increase their effectiveness and efficiency.

Through our grant from the Texas Supreme Court, we are able to offer these courses at virtually no cost to the participant. The grant pays for the participant's room (double occupancy) and meals. There is a surcharge, payable by the participant, should he/she wish to have a single room or to share the room with their spouse. The grant does not pay for travel and there is no registration fee.

This information is provided to you to help your county in assisting these individuals to take advantage of these unique educational opportunities. Should you have any questions or need additional information, please advise.

Re: \$710,000 "Upshur County, Texas, General Obligation Refunding Bonds, Series 1987", dated August 15, 1987

Ladies and Gentlemen:

The above described Bonds are to be exchanged for, and upon the surrender and cancellation of, a like principal amount of "Upshur County, Texas, Certificates of Obligation, Series 1985B", and arrangements have been made for the escrow of such outstanding obligations by the owners thereof (First National Bank, Gilmer, Texas) with the First City National Bank of Austin pending their cancellation. The cancellation of such outstanding obligations by the Office of the Comptroller of Public Accounts is to occur on the same day that the closing for the Bonds shall occur.

When the Bonds have been approved by the Attorney General and delivered to the Comptroller for registration, a closing date will be set for the delivery of the Bonds. On such closing date, the obligations being refunded should be delivered to the Comptroller of Public Accounts for cancellation and, upon the cancellation thereof, the Initial Bond will be registered by the Comptroller and delivered to First City National Bank for delivery to the purchasers thereof, Dean Witter Reynolds, Inc

, or their order. When delivery of the Initial Bond has occurred, the proceeds of sale of the Bonds are to be transmitted by the fastest means available to the owners of the obligations cancelled pursuant to their instructions in settlement for the release, payment and discharge of such obligations.

Should you have any questions concerning the delivery of the Bonds, please contact the undersigned or the County's Bond Counsel, Ed H. Esquivel, Fulbright & Jaworski, Dallas, Texas (214/969-0022).

In regard to the delivery of the obligations to the initial purchasers, the following documents are enclosed herewith to be completed, executed and dated, as the case may be, when payment has occurred, to wit:

1. Four copies of a Signature and No-Litigation Certificate.
2. Four copies of a Certificate as to Official Statement.
3. Four copies of a Closing Receipt and Certificate.

When said documents have been completed and dated, one copy of the Signature and No-Litigation Certificate and the Certificate as to Official Statement is to be released to the initial purchasers, together with Bond Counsel's approving opinion, and the remaining copies are to be returned to Bond Counsel at the address shown above. One copy of the Closing Receipt and Certificate is to be retained by your bank and the remaining three copies should be sent to Bond Counsel with the other closing documents enclosed herewith.

Furthermore, should any litigation be filed or instituted which would cause the statements appearing in the Signature and No-Litigation Certificate to be incorrect or untrue or should a circumstance or event occur which would cause the certifications in the Certificate as to Official Statement to be incorrect or misleading, the undersigned or other proper official of the County will notify you and Bond Counsel at once by telephone or other means. You and Bond Counsel, therefore, can be assured that, unless advised otherwise by the County, the statements pertaining to no-litigation appearing in the Signature and No-Litigation Certificate and the certifications in the Certificate as to Official Statement are accurate and complete prior to and at the time of the delivery of the Initial Bond.

County Judge, Upshur County, Texas

AN ORDER authorizing the issuance of "UPSHUR COUNTY, TEXAS, GENERAL OBLIGATION REFUNDING BONDS, SERIES 1987"; specifying the terms and features of said bonds; levying a continuing direct annual ad valorem tax for the payment of said bonds; and resolving other matters incident and related to the issuance, sale, payment and delivery of said bonds, including the approval and distribution of an Official Statement pertaining thereto.

WHEREAS, pursuant to Article 2368a.1, V.A.T.C.S., the Commissioners' Court of Upshur County, Texas, has heretofore issued, and there is currently outstanding, (hereinafter sometimes referred to as the "Refunded Obligations"), the following described obligations, to wit:

WHEREAS, arrangements have been made and approved by the Court for the issuance and sale of refunding bonds of the County in exchange for and upon cancellation of the above described Refunded Obligations; such refunding bonds to mature and bear interest as hereinafter provided; and

WHEREAS, this Court hereby finds and determines that such refunding will reduce the total amount of interest to be paid on such indebtedness and result in a savings to the County after taking into consideration the costs of issuance of such refunding bonds; now, therefore,

SECTION 4: Redemption. (a) Optional Redemption. The Bonds having Stated Maturities on and after February 15, 1996, shall be subject to redemption prior to maturity, at the option of the County, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on February 15, 1995 or on any interest payment date thereafter at the redemption price of par plus accrued interest to the date of redemption.

The decision of the County to exercise the right to redeem Bonds shall be entered in the minutes of the governing body of the County.

(c) Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/ Registrar shall treat such Bonds as representing the number of Bonds Outstanding which is obtained by dividing the principal amount of such Bonds by \$5,000 and shall select the Bonds, or principal amount thereof, to be redeemed within such Stated Maturity by lot.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the County and at the County's expense, to each Holder of a Bond to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that

payment of the redemption price for the Bonds, or the principal amount thereof to be redeemed, shall be made at the principal office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given as hereinabove provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys sufficient for the payment of such Bond (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

SECTION 5: Registration - Transfer- Exchange of Bonds- Predecessor Bonds. A Security Register relating to the registration, payment, and transfer or exchange of the Bonds shall at all times be kept and maintained by the County at the principal office of the Paying Agent/Registrar, as provided herein and in accordance with the provisions of an agreement with the Paying Agent/Registrar and such rules and regulations as the Paying Agent/Registrar and the County may prescribe. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every owner of the Bonds issued under and pursuant to the provisions of this Order, or if appropriate, the nominee thereof. Any Bond may be transferred or exchanged for Bonds of other authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Bond for transfer at the principal office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the principal office of the Paying Agent/ Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds to the Holder requesting the exchange.

All Bonds issued in any transfer or exchange of Bonds shall be delivered to the Holders at the principal office of the Paying Agent/Registrar or sent by United States Mail, first class, postage prepaid to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the County, evidencing the same obligation to pay, and entitled to the same benefits under this Order, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 10 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the County nor the Paying Agent/ Registrar shall be required to issue or transfer to an assignee of a Holder any Bond called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 6: Execution - Registration. The Bonds shall be executed on behalf of the County by the County Judge under its seal reproduced or impressed thereon, countersigned by the County Clerk and registered by the County Treasurer. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the County on the Bond Date shall be deemed to be duly executed on behalf of the County, notwithstanding that such individuals or any of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in the Bond Procedures Act of 1981, as amended.

No Bond shall be entitled to any right or benefit under this Order, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 8C, manually executed by the Comptroller of Public Accounts of the State of Texas, or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 8D, manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

SECTION 7: Initial Bond(s). The Bonds herein authorized shall be initially issued either (i) as a single fully registered bond in the total principal amount of \$710,000 with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as nine (9) fully registered bonds, being one bond for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond(s)") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 8: Forms. A. Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Order and may have such letters, numbers, or other marks of identification (including

identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the County or determined by the officers executing such Bonds as evidenced by their execution. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds shall be printed, lithographed, or engraved or produced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution, but the Initial Bond(s) submitted to the Attorney General of Texas may be typewritten or photocopied or otherwise reproduced.

The County of Upshur (hereinafter referred to as the "County"), a body corporate and political subdivision in the State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the order of the Registered Owner named above, or the registered assigns thereof, on the Stated Maturity date specified above the Principal Amount hereinabove stated (or so much thereof as shall not have been paid upon prior redemption) and to pay

interest on the unpaid principal amount hereof from the Bond Date at the per annum rate of interest specified above computed on the basis of a 360-day year of twelve 30-day months; such interest being payable on February 15 and August 15 in each year, commencing February 15, 1988. Principal of this Bond is payable at its Stated Maturity or redemption to the registered owner hereof, upon presentation and surrender, at the principal office of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor. Interest is payable to the registered owner of this Bond (or one or more Predecessor Bonds, as defined in the Order hereinafter referenced) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date, and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$710,000 (herein referred to as the "Bonds") for the purpose of refunding outstanding obligations of Upshur County, Texas, under and in strict conformity with the Constitution and laws of the State of Texas, including Articles 717k and 717k-3, V.A.T.C.S., as amended, and pursuant to an Order adopted by the Commissioners' Court of the County (herein referred to as the "Order").

The Bonds maturing on and after February 15, 1996, may be redeemed prior to their Stated Maturities, at the option of the County, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on February 15, 1995, or on any interest payment date thereafter, at the redemption price of par, together with accrued interest to the date of redemption and upon 30 days prior written notice being sent by United States Mail, first class postage prepaid, to the registered owners of the Bonds to be redeemed, and subject to the terms and provisions relating thereto contained in the Order. If this Bond (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date

this Bond (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event of a partial redemption of the principal amount of this Bond, payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of this Bond to the Paying Agent/Registrar at its principal office and there shall be issued, without charge therefor to the registered owner hereof, a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Order for the then unredeemed balance of the principal sum hereof. If this Bond is selected for redemption, in whole or in part, the County and the Paying Agent/Registrar shall not be required to transfer this Bond to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance hereof in the event of its redemption in part.

The Bonds are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the County. Reference is hereby made to the Order, a copy of which is on file in the principal office of the Paying Agent/Registrar, and to all of the provisions of which the owner or holder of this Bond by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Bonds; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Order may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the County and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at or prior to its maturity or redemption, and deemed to be no longer Outstanding thereunder; and for other terms and provisions contained therein. Capitalized terms used herein have the meanings assigned in the Order.

This Bond, subject to certain limitations contained in the Order, may be transferred on the Security Register only upon its presentation and surrender at the principal office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly

executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The County and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the County nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the County. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and declared that the County is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the County have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Order; that the Bonds do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by the levy of a tax as aforesated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Order shall be construed in accordance with and shall be governed by the laws of the State of Texas.

All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

SECTION 9: Levy of Taxes. To provide for the payment of the "Debt Service Requirements" of the Bonds, being (i) the interest on the Bonds and (ii) a sinking fund for their redemption at maturity or a sinking fund of 2% (whichever amount is the greater), there is hereby levied, and there shall be annually assessed and collected in due time, form, and manner, a tax on all taxable property in the County, within the limitations prescribed by law, and such tax hereby levied on each one hundred dollars' valuation of taxable property in the County for the Debt Service Requirements of the Bonds shall be at a rate from year to year as will be ample and sufficient to provide funds each year to pay the principal of and interest on said Bonds while Outstanding; full allowance being made for delinquencies and costs of collection; separate books and records relating to the receipt and disbursement of taxes levied, assessed and collected for and on account of the Bonds shall be kept and maintained by the County at all times while the Bonds are Outstanding, and the taxes collected for the payment of the Debt Service Requirements on the Bonds shall be deposited to the credit of a "Special 1987 Refunding Bond Account" (the "Interest and Sinking Fund") maintained on the records of the County and deposited in a special fund maintained at an official depository of the County's funds; and such tax hereby levied, and to be assessed and collected annually, is hereby pledged to the payment of the Bonds.

Immediately following the delivery of the Bonds, funds deposited to the credit of the interest and sinking fund account created and established for the payment of the principal of and interest on the Refunded Obligations (as well as any and all taxes hereafter collected from prior assessments for such obligations, when and as the same are collected) shall be deposited to the credit of the Interest and Sinking Fund.

Proper officers of the County are hereby authorized and directed to cause to be transferred to the Paying Agent/Registrar for the Bonds, from funds on deposit in the Interest and Sinking Fund, amounts sufficient to fully pay and discharge promptly each installment of interest and principal of the Bonds as the same accrues or matures or comes due by reason of redemption prior to maturity; such transfers of funds to be made in such manner as will cause collected funds to be deposited with the Paying Agent/Registrar on or before each principal and interest payment date for the Bonds.

SECTION 10: Mutilated-Destroyed-Lost and Stolen Bonds.

In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond only upon County approval and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the County and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Order equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 11: Satisfaction of Obligation of County. If the County shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Order, then the pledge of taxes levied under this Order and all covenants, agreements, and other obligations of the County to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent

accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/ Registrar have been made) the redemption date thereof. The County covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/ Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the County or deposited as directed by the County. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of four (4) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall upon the request of the County be remitted to the County against a written receipt therefor.

The term "Government Securities", as used herein, means direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, which are non-callable prior to the respective Stated Maturities of the Bonds and may be United States Treasury Obligations such as the State and Local Government Series and may be in book-entry form.

SECTION 12: Order a Contract -Amendments - Outstanding Bonds. This Order shall constitute a contract with the Holders from time to time, be binding on the County, and shall not be amended or repealed by the County so long as any Bond remains Outstanding except as permitted in this Section. The County may, without the consent of or notice to any Holders, from time to time and at any time, amend this Order in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the County may, with

the consent of Holders holding a majority in aggregate principal amount of the Bonds then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Order; provided that, without the consent of all Holders of Outstanding Bonds, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required to be held by Holders for consent to any such amendment, addition, or rescission.

The term "Outstanding" when used in this Order with respect to Bonds means, as of the date of determination, all Bonds theretofore issued and delivered under this Order, except:

(1) those Bonds cancelled by the Paying Agent/Registrar or delivered to the Paying Agent/Registrar for cancellation;

(2) those Bonds deemed to be duly paid by the County in accordance with the provisions of Section 11 hereof by the irrevocable deposit with the Paying Agent/Registrar, or an authorized escrow agent, of money or Government Securities, or both, in the amount necessary to fully pay the principal of, premium, if any, and interest thereon to maturity or redemption, as the case may be, provided that, if such Bonds are to be redeemed, notice of redemption thereof shall have been duly given pursuant to this Order or irrevocably provided to be given to the satisfaction of the Paying Agent/Registrar, or waived; and

(3) those mutilated, destroyed, lost, or stolen Bonds which have been replaced with Bonds registered and delivered in lieu thereof as provided in Section 10 hereof.

SECTION 13: Covenants to Maintain Tax-Exempt Status.
The County shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction, or improvement of which was financed by the issuance of the Refunded Obligations) in a manner which, if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined

in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the County shall have received a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond pursuant to Section 103 of the Code, the County agrees, covenants and represents that:

(a) Definitions. When used in this Section, the following terms have the following meanings:

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, enacted on or before the Issue Date.

"Gross Proceeds" when used with respect to the Bonds or any other issue of obligations of the County, means original proceeds, amounts received (including repayments of principal) as a result of investing the original proceeds of the issue, transferred proceeds, sinking fund proceeds, amounts invested in a reasonably required reserve or replacement fund, securities or obligations pledged by the County as security for payment of debt service on the Bonds or such other issue, and any other amounts used to pay debt service on the Bonds or such other issue, together with earnings from the investment of the foregoing.

"Investment" means

(1) a share of stock in a corporation or a right to subscribe for or to receive such a share,

(2) any obligation, including United States Treasury bonds, notes, and bills and bank deposits, whether or not certified or interest bearing, but excluding obligations the interest on which is, in the opinion of counsel nationally recognized in the field of municipal bond law, excludable from the gross income of any owner thereof under the Code or the Internal Revenue Code of 1954, as amended to the date of issuance of such obligations,

(3) any annuity contract, or any other deferred payment contract acquired to fund an obligation of the County, or

(4) any other property held for investment.

"Issue Date" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"Issue Price" of the Bonds of each Stated Maturity means the aggregate initial offering price of all the Bonds of such Stated Maturity to the public (exclusive of underwriters, dealers, bondhouses, brokers, and similar persons or organizations acting in the capacity of underwriters or wholesalers) at which a substantial number of Bonds of such Stated Maturity are sold to the public, including accrued interest to the Issue Date, if any.

"Nonpurpose Investment" means any Investment in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purpose of the Bonds. Obligations acquired with proceeds of the Bonds that are to be used to discharge the Refunded Obligations are Nonpurpose Investments.

"Purchase Price" of any Investment means

(1) if a United States Treasury obligation acquired directly from the United States Treasury, the amount paid therefor,

(2) if a certificate of deposit issued by a commercial bank, the bona fide bid price quoted by a dealer who maintains an active secondary market in such certificates of deposit, and

(3) otherwise, generally the mean of the bid price and the offered price therefor on an established market on the day on which such Investment is purchased or contracted for or, if there are no bid prices and offered prices on such date, on the first day preceding such date for which there are bid prices and offered prices.

"Yield" of

(1) any Investment means the discount factor which, when used in computing the present value of all scheduled payments of principal of and interest on such Investment on the date such Investment is purchased with Gross Proceeds or otherwise allocated to Gross Proceeds, results in an amount equal to the Purchase Price thereof (but excluding any commissions), compounding semiannually, and

(2) the Bonds means the discount factor which, when used in computing the present value on the Issue Date of all scheduled payments of principal of and interest on the Bonds, results in an amount equal to aggregate Issue Prices of the Bonds of each Stated Maturity, compounding semiannually.

(b) Not An Advance Refunding. The Bonds are issued to refund the Refunded Obligations and on the "Issue Date" of the Bonds, all of the Refunded Obligations are to be redeemed and cancelled, i.e., the Bonds are to be issued and delivered on the Issue Date only upon the surrender and cancellation of the Refunded Obligations.

(c) No Industrial Development or Consumer Loan Bonds. None of the Refunded Obligations are industrial development bonds, as that term is defined in section 103(b)(2) of the Internal Revenue Code of 1954, as amended to October 22, 1986 (the "1954 Code"), or consumer loan bonds within the meaning of section 103(o)(2)(A) of the 1954 Code.

(d) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the regulations and rulings thereunder, the County shall not, at any time prior to the final Stated Maturity of the Bonds, directly or indirectly invest Gross Proceeds of the Bonds in any Investment (or use such Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Issue Date of all Investments acquired with such Gross Proceeds (or with money replaced thereby) whether then held or previously disposed of, exceeds the Yield of the Bonds.

(e) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the regulations and rulings thereunder, the County shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the regulations and rulings thereunder.

(f) Information Report. The County shall timely file with the Secretary of the Treasury the information required by section 149(e) of the Code with respect to the Bonds on such form and in such place as such Secretary may prescribe.

(g) No Rebate Required. The County warrants and represents that it satisfies the requirements of paragraph (2) and (3) of section 148(f) of the Code with respect to the Bonds without making the payments for the United States described in such section. Specifically, the County warrants and represents that

(1) the County is a governmental unit with general taxing powers;

(2) at least 95% of the Gross Proceeds of the Bonds will be used for the governmental activities of the County;

(3) the aggregate face amount of all tax-exempt obligations issued or expected to be issued by the County (and all subordinate entities thereof) in the calendar year in which the Bonds are issued (including the Bonds but excluding obligations to be redeemed with Gross Proceeds of the Bonds within 90 days after the date on which the Bonds are being issued) is not reasonably expected to exceed \$5,000,000.

SECTION 14: Sale of the Bonds. The sale of the Bonds to DEAN Miller Reynolds, Inc. (herein referred to as the "Purchasers") at the price of par and accrued interest to the date of delivery, plus a premium of \$ - 0 -, is hereby approved and confirmed. The sale of the Bonds to the Purchasers is conditioned upon the simultaneous cancellation and exchange of the Refunded Obligations at the time of the delivery of the Bonds to the Purchasers against payment of the agreed purchase price for the Bonds.

SECTION 15: Control and Custody of Bonds. The County Judge of the County shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Bonds, and shall take and have charge and control of the Initial Bond(s) pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts, the exchange thereof for the Refunded Obligations, and the cancellation of the latter by said Comptroller of Public Accounts. None of the Bonds shall be registered by the Comptroller of Public Accounts without the simultaneous cancellation of the Refunded Obligations by said official.

Furthermore, the County Judge, County Clerk, County Auditor and County Treasurer, any one or more of said officials, are hereby authorized and directed to furnish and execute such documents relating to the County and the issuance of the Bonds, as may be necessary for the issuance of the Bonds, the approval of the Attorney General, the registration by the Comptroller of Public Accounts, the exchange thereof for the Refunded Obligations, and the cancellation of the latter by said Comptroller of Public Accounts, and, together with the County's financial advisor, bond counsel and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Bond(s) to the Purchasers and the initial exchange thereof for definitive Bonds.

SECTION 16: Official Statement. The Official Statement prepared in the initial offering and sale of the Bonds by the County, together with all addendas, supplements and amendments thereto issued on behalf of the County, is hereby approved as to form and content, and the Court hereby finds that the information and data contained in said Official Statement pertaining to the County and its financial affairs is true and correct in all material respects and no material facts have been omitted therefrom which are necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The use of such Official Statement in the reoffering of the Bonds by the Purchasers is hereby approved and authorized.

SECTION 17: Notices to Holders-Waiver. Wherever this Order provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Order provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 18: Cancellation. All Bonds surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the County, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The County may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the County may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be returned to the County.

SECTION 19: Printed Opinion. The Purchasers' obligation to accept delivery of the Bonds is subject to being furnished a final opinion of Fulbright & Jaworski, Attorneys, Dallas, Texas, approving the Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds. Printing of a true and correct reproduction of said opinion on the reverse side of each of the definitive Bonds is hereby approved and authorized.

SECTION 20: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof and neither the County nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 21: Subrogation. Except as otherwise specified in the proceedings authorizing the Bonds, the Holders shall be subrogated to and shall possess all the rights and remedies of the holders of the Refunded Obligations.

SECTION 22: Benefits of Order. Nothing in this Order, expressed or implied, is intended or shall be construed to confer upon any person other than the County, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Order or any provision hereof, this Order and all its provisions being intended to be and being for the sole and exclusive benefit of the County, the Paying Agent/Registrar and the Holders.

SECTION 23: Inconsistent Provisions. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters contained herein.

SECTION 24: Governing Law. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 25: Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

If appropriate in the context of this Order, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 27: Severability. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and the Court hereby declares that this Order would have been enacted without such invalid provision.

SECTION 28: Incorporation of Findings and Determinations. The findings and determinations of the Commissioners' Court contained in the preamble hereof are hereby incorporated by reference and made a part of this Order for all purposes as if the same were restated in full in this Section.

All transfers, exchanges and replacement of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the National Association of Securities Dealers, in form satisfactory to the Bank, duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank covenants that the inventory of printed Securities will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03. Form of Security Register.

The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Issuer hereby instructs the Bank, subject to the provisions of Section 10 of the Bond Resolution, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, or destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such destroyed lost or stolen Security only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, or destroyed, lost or stolen.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document supplied by Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

Section 5.05. Moneys Held by Bank.

Money held by the Bank hereunder need not be segregated from any other funds provided appropriate trust accounts are maintained in the name and for the benefit of the Issuer.

The Bank shall be under no liability for interest on any money received by it hereunder.

Any money deposited with the Bank for the payment of the principal, premium (if any), or interest on any Security and remaining unclaimed for four years after final maturity of the Security has become due and payable will be paid by the Bank to the Issuer, and the Holder of such Security shall thereafter look only to the Issuer for payment thereof, and all liability of the Bank with respect to such moneys shall thereupon cease.

Section 5.06. Indemnification.

The Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07. Interpleader.

The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the State and County where

either the Bank Office or the administrative offices of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction to determine the rights of any Person claiming any interest herein.

Section 5.08. DT Services.

It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", effective August 1, 1987, which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.
