Upshur County Courthouse
P. O. Box 730
Gilmer, Texas 75644

Dear Judge Dean:

Attached are duplicate originals of a Special Road Use Agreement between Exxon and the County Commissioners of Upshur County, Texas. This Agreement is for the drilling and completing of Exxon's Gladewater Gas Unit 2, Well 2, the location of which is shown on the Exhibit "A" attached to the Agreement.

We respectfully request the Commissioners' Court to approve the attached Agreement at its next meeting and return one fully executed original to my attention.

We have not yet received the Special Road Use Agreement for Silk Tree Road, mailed to you October 15, 1987. Said Agreement was for the section of Silk Tree Road to be utilized during the drilling of Exxon's Gladewater Gas Units 8-2 and 6-2. Please check on this and forward back to me an executed original of this Agreement for our records. If the Agreement cannot be located, then please contact (214/534-2022) me so that I may prepare another instrument for the Commissioners' execution.

Thank you for your cooperation on this matter.

Yours very truly,

SPECIAL ROAD USE AGREEMENT

THIS AGREEMENT made and entered into by and between EXXON COMPANY, U.S.A. (a division of Exxon Corporation), herein called "Exxon," and the COUNTY COMMISSIONERS OF UPSHUR COUNTY, TEXAS,

W-I-T-N-E-S-S-E-T-H :

WHEREAS, for the purpose of constructing the location and drilling and completing of the GLADEWATER GAS UNIT 2 WELL NO. 2 in Upshur County, Texas, the location of which is shown on Exhibit "A," attached hereto, it is necessary for Exxon to use a portion of one county road in Precinct No. 1 over which the Commissioner for that precinct has jurisdiction and the obligation to maintain said road in good repair; and

WHEREAS, both parties are aware of possible damage to said road as a result of such use of said road, and Exxon desires to assume responsibility for such damage to the extent herein provided:

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein stated, it is agreed as follows:

1. Exxon agrees that its contractors will use for the purpose above recited, only that section of the county road, known as North Point Pleasant-Willow Oak Road, and shown in red on Exhibit "A," which section is hereinafter referred to as "the road." The term "the road" shall (for the purposes of this agreement) include any bridge or culvert located on or under said road. For convenience, the use of the road by the contractors will be referred to as Exxon's use.
2. Exxon agrees that such use will be made in such a manner as not to block or interfere with other traffic on the road, so that the road will be open to travel by the public at all times.
3. Exxon agrees to reimburse Upshur County for the reasonable costs of materials for maintaining and repairing the road during the time that Exxon is using said road, to the extent that such maintaining and repairing are necessary as the result of Exxon's use of the road. Exxon also agrees to reimburse Upshur County for such costs incurred in repairing the road following completion of use of the road by Exxon as herein provided, to the extent that such repairing is necessary as the result of Exxon's use of the road as provided herein. The approximate cost of materials to completely resurface a county road is \$6,000 per mile. The length of road to be used by Exxon is about 0.9 mile. Therefore, Exxon agrees to reimburse Upshur County for a maximum of its fair share of \$5,400.
4. During the time that Exxon is so using the road, if the County Commissioner of Precinct No. 1 proposes to perform any maintenance work or repairs on the road which said Commissioner deems necessary as the result of Exxon's use of the road, said Commissioner shall give notice to Exxon of the proposed action not less than forty-eight (48) hours in advance of the performance of said work. In such event, a joint inspection shall be made by an Upshur County representative and a representative of Exxon so that a mutual agreement can be reached, if possible, as to the cause of the need for such maintenance or repair, and the nature and extent of the necessary repairs. Upon completion of Exxon's use of the road under this agreement, Exxon shall promptly give the County Commissioner of Precinct No. 1 notice of such fact; and promptly thereafter, a joint inspection shall be made by an Upshur County representative and a representative of Exxon so that a mutual agreement can be reached, if possible, as to the repairs which have become necessary by reason of Exxon's use of the road. Following each such joint inspection, the County of Upshur shall submit to Exxon a written estimate of the cost of materials for such necessary repairs. The notices herein provided for shall be given in

writing, addressed to Exxon Company, U.S.A., at 3910 Brookside Drive - Suite 100, Tyler, Texas 75701-9422, and to the County Commissioner of Precinct No. 1 at P. O. Box 730, Gilmer, Texas 75644.

5. Payment by Exxon hereunder shall be made upon proof of expenditures, with evidence as to what the expenditures relate, together with a written statement signed by the County Judge of Upshur County, Texas, that such repair work has been completed in a manner satisfactory to the County.

6. Nothing herein shall be construed as a waiver by the Commissioner of Precinct No. 1 of the authority granted him by Article 6717, V.A.C.S., but the rights and authority granted said Commissioner by the terms of said statute are expressly reserved by the Commissioner in the event Exxon fails to abide by the conditions herein stated.

IN WITNESS WHEREOF, the parties hereto have signed this agreement this 11th day of January, 1987.

Attention: Everett Dean, County Judge

Re: Offer to purchase from you
an oil and gas lease cover-
ing Blocks 75 and 58 in
North Tract Upshur County
School Lands in Baylor,
County, Texas

Dear Sir:

Heydrick Petroleum Co. recently learned that Cobra Oil & Gas Corporation is releasing the above acreage (plus Blocks 13 and 32) from a lease granted to A. R. Dillard on November 18, 1957. Enclosed is a proposed lease covering only Blocks 75 and 58, providing for a 6-month primary term and a cash bonus of \$1200.00, being \$15.00 per mineral acre.

If you elect to sell Heydrick the lease, please call Heydrick at 817/322-6985 or me at 817/723-5591 so arrangements can be made for closing. After the statutory requirements have been met and the lease has been signed, Heydrick will mail you a check for \$1200.00. On the other hand, if you prefer a different procedure, please let Heydrick or me know about it.

Heydrick's former proposal for consolidating the "A" and "D" Leases, as expressed to you in my letter of December 1, 1987, is withdrawn.

Please call Mr. Chuck Heydrick or me if any questions arise.

Sincerely yours,

Kenneth B. Kramer

VOL 30 PG 934 OIL, GAS AND MINERAL LEASE

THIS AGREEMENT made this 11 day of January, 1988, between Upshur County, Texas, a political subdivision acting by and through the undersigned members of its Commissioners Court

Lessor (whether one or more), and Jim C. Heydrick dba Heydrick Petroleum Co.,
 Lessee, WITNESSETH:

1. Lessor in consideration of Twelve Hundred DOLLARS
 (\$ 1200.00)

is hand paid, of the royalties herein provided, and of the agreements of Lessee herein contained, hereby grants, leases and lets exclusively unto Lessee for the purpose of investigating, exploring, prospecting, drilling and mining for and producing oil, gas and all other minerals, laying pipe lines, building tanks, power stations, telephone lines and other structures thereon to produce, save, take care of, treat, transport, and own said products, and housing its employees, the following described land in Baylor County, Texas, to-wit:

Blocks Nos. Seventy-five (75) and Fifty-eight (58) of the J. F. Crittendon Subdivision of the North Tract of the Upshur County School Lands as shown in plat of record in the office of the County Clerk of Baylor County, Texas,

and containing eighty (80) acres, more or less. In the event a resurvey of said lands shall reveal the existence of excess and/or vacant lands lying adjacent to the lands above described and the lessor, his heirs, or assigns, shall, by virtue of his ownership of the lands above described, have preference right to acquire said excess and/or vacant lands, then in that event this lease shall cover and include all such excess and/or vacant lands which the lessor, his heirs, or assigns, shall have the preference right to acquire by virtue of his ownership of the lands above described as and when acquired by the lessor; and the lessee shall pay the lessor for such excess and/or vacant lands at the same rate per acre as the cash consideration paid for the acreage hereinabove mentioned.

2. Subject to the other provisions herein contained, this lease shall be for a term of six (6) months from this date (called "primary term") and as long thereafter as oil, gas or other mineral is produced from said land hereunder.

3. The Royalties to be paid Lessor are: (a) on oil, one-eighth of that produced and saved from said land, the same to be delivered at the wells or to the credit of Lessor into the pipe line to which the wells may be connected, Lessee may from time to time purchase any royalty oil in its possession, paying the market price therefor prevailing for the field where produced on the date of purchase, (b) on gas, including casinghead gas or other gaseous substance, produced from said land and sold or used off the premises or in the manufacture of gasoline or other product therefrom, the market value at the well of one-eighth of the gas so sold or used, provided that on gas sold at the wells the royalty shall be one-eighth of the amount realized from such sale, where gas from a well producing gas only is not sold or used, Lessee may pay as royalty \$50.00 per well per year, and upon such payment it will be considered that gas is being produced within the meaning of Paragraph 2 hereof; and (c) all other minerals mined and marketed, one-tenth either in kind or value at the well or mine, at Lessee's election, except that on sulphur the royalty shall be fifty cents (50c) per long ton. Lessee shall have free use of oil, gas, coal, wood and water from said land, except water from Lessor's wells, for all operations hereunder, and the royalty on oil, gas and coal shall be computed after deducting any so used. Lessor shall have the privilege at his risk and expense of using gas from any gas well on said land for stoves and inside lights in the principal dwelling thereon out of any surplus gas not needed for operations hereunder.

4. If operations for drilling are not commenced on said land on or before one year from this date the lease shall then terminate as to both parties unless on or before such anniversary date Lessee shall pay or tender to Lessor or to the credit of Lessor in

Not applicable Bank at N/A (which bank and its successors are Lessor's agent and shall continue as the depository for all rentals payable hereunder regardless of changes in ownership of said land or the rentals) the sum of N/A Dollars

(\$ N/A), (herein called rental), which shall cover the privilege of deferring commencement of drilling operations for a period of twelve (12) months. In like manner and upon like payments or tenders annually the commencement of drilling operations may be further deferred for successive periods of twelve (12) months each during the primary term. The payment or tender of rental may be made by the check or draft of Lessee mailed or delivered to said bank on or before such date of payment. If such bank (or any successor bank) should fail, liquidate or be succeeded by another bank, or for any reason fail or refuse to accept rental, Lessee shall not be held in default for failure to make such payment or tender of rental until thirty (30) days after Lessor shall deliver to Lessee a proper recordable instrument, naming another bank as agent to receive such payments or tenders. The down cash payment is consideration for this lease according to its terms and shall not allocated as mere rental for a period. Lessee may at any time execute and deliver to Lessor or to the depository above named or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered, and thereafter the rentals payable hereunder shall be reduced in the proportion that the acreage covered hereby is reduced by said release or releases. In this connection the above described premises shall be treated as comprising N/A acres, whether there be more or less.

5. If prior to discovery of oil or gas on said land Lessee should drill a dry hole or holes thereon, or if after discovery of oil or gas the production thereof should cease from any cause, this lease shall not terminate if Lessee commences additional drilling or re-working operations within sixty (60) days thereafter or (if it be within the primary term) commences or resumes the payment or tender of rentals on or before the rental paying date next ensuing after the expiration of three months from date of completion of dry hole or cessation of production. If at the expiration of the primary term oil, gas or other mineral is not being produced on said land but Lessee is then engaged in drilling or re-working operations thereon, the lease shall remain in force so long as operations are prosecuted with no cessation of more than thirty (30) consecutive days, and if they result in the production of oil, gas or other minerals so long thereafter as oil, gas or other mineral is produced from said land. In the event a well or wells producing oil or gas in paying quantities should be brought in on adjacent land and within one hundred fifty (150) feet of and draining the leased premises, Lessee agrees to drill such offset wells as a reasonably prudent operator would drill under the same or similar circumstances.

6. Lessee shall have the right at any time during or after the expiration of this lease to remove all property and fixtures placed by Lessee on said land, including the right to draw and remove all casing. When required by Lessor, Lessee will bury all pipe lines below ordinary plow depth, and no well shall be drilled within two hundred (200) feet of any residence or barn now on said land without Lessor's consent.

7. The rights of either party hereunder may be assigned in whole or in part and the provisions hereof shall extend to the heirs, successors and assigns, but no change or divisions in ownership of the land, rentals, or royalties, however accomplished, shall operate to enlarge the obligations or diminish the rights of Lessee. No sale or assignment by Lessor shall be binding on Lessee until Lessee shall be furnished with a certified copy of recorded instrument evidencing same. In event of assignment of this lease as to a segregated portion of said land, the rentals payable hereunder shall be apportionable as between the several leasehold owners ratably according to the surface area of each, and default in rental payment by one shall not affect the rights of other leasehold owners hereunder. If six or more parties become entitled to royalty hereunder, Lessee may withhold payment thereof unless and until furnished with a recordable instrument executed by all such parties designating an agent to receive payment for all.

8. The breach by Lessee of any obligation arising hereunder shall not work a forfeiture or termination of this lease nor cause a termination or reversion of the estate created hereby nor be grounds for cancellation hereof in whole or in part save as herein expressly provided. If the obligation for reasonable development should require the drilling of a well or wells, Lessee shall have ninety days after ultimate judicial ascertainment of the existence of such obligation within which to begin the drilling of a well, and the only penalty for failure to do so shall be the termination of this lease save as to ten (10) acres for each well being worked on and/or being drilled and/or producing oil or gas to be selected by Lessee so that each 10 acre tract will embrace one such well.

9. Lessor hereby warrants and agrees to defend the title to said land and agrees that Lessee at its option may discharge any tax, mortgage or other lien upon said land and in event Lessee does so, it shall be subrogated to such lien with the right to enforce same and apply rentals and royalties accruing hereunder toward satisfying same. Without impairment of Lessee's rights under the warranty in event of failure of title, it is agreed that if Lessor owns an interest in said land less than the entire fee simple estate, then the royalties and rentals to be paid Lessor shall be reduced proportionately.

10. If any operation permitted or required hereunder, or the performance by Lessee of any covenant, agreement or requirement hereof is delayed or interrupted directly or indirectly by any past or future acts, orders, regulations or requirements of the Government of the United States or of any state or other governmental body, or any agency, officer, representative or authority of any of them, or because of delay or inability to get materials, labor, equipment or supplies, or on account of any other similar or dissimilar cause beyond the control of Lessee, the period of such delay or interruption shall not be counted against the Lessee, and the primary term of this lease shall automatically be extended after the expiration of the primary term set forth in Section 2 above, so long as the cause or causes for such delays or interruptions continue and for a period of six (6) months thereafter; and such extended term shall constitute and shall be considered for the purposes of this lease as a part of the primary term hereof. The provisions of Section 4 hereof, relating to the payment of delay rentals shall in all things be applicable to the primary term as extended hereby just as if such extended term were a part of the original primary term fixed in Section 2 hereof. The Lessee shall not be liable to Lessor in damages for failure to perform any operation permitted or required hereunder or to comply with any covenant, agreement or requirement hereof during the time Lessee is relieved from the obligations to comply with such covenants, agreements or requirements.

The provisions of the following paragraphs shall control over the printed provisions of this lease.

11. This lease covers only liquid and gaseous hydrocarbons.

12. This lease shall automatically terminate six (6) months from its date unless by that time Lessee has drilled, or caused to be drilled, a well on the above-described 80 acres to the shallowest of the following depths: a depth of 5300 feet subsurface; a depth sufficient to test the Reef Formation; a depth at which the well is completed as a producer.

13. If Lessee complies with the provisions of paragraph 2 preceding, he thereafter may pool the 80 acres covered by this lease with that certain 240 acres described below, so that future operations for the discovery, development, production and marketing of liquid and gaseous hydrocarbons (including water disposal operations) may be conducted as if the total of 320 acres had been covered and conveyed in the January 14, 1957 lease described below. If the pooling occurs, production from any part of the 80 acres shall be regarded as production from the 240 acres, and production from any part of the 240 acres shall be regarded as production from the 80 acres. The 240 acres in question consists of Blocks 53, 54, 55, 56, 57 and 76 of the Crittendon Subdivision of the North Tract of the Upshur County School Lands in Baylor County, Texas, and the "January 14, 1957 lease" referred to above in that certain oil and gas lease recorded at Volume 385, Page 10 of the Deed Records of Baylor County, Texas.

14. The lessee's mailing address is Heydrick Petroleum Co., P. O. Box 4285, Wichita Falls, Texas 76308.

IN WITNESS WHEREOF this instrument is executed on the date first written above.

Mr. Tommy Eatherton
Upshur Co. Commissioner
Upshur Co. Courthouse
Gilmer, Texas

Dear Mr. Eatherton:

Harmony I.S.D. would like to request the repair of a school bus turnaround.

The site will be at the Jim Bass home on Hwy 49 near the old Johnson Chapel church. The address is Rt 1 Box 348 Big Sandy. Mr Bass's phone number is 725-6349.

Mr. Bass has been nice to allow us to turn around in a place with good visibility. This turnaround just needs some rock or a seal coat.

UPSHUR COUNTY COMMISSIONERS COURT RESOLUTION ADOPTING A SET OF PAYMENT STANDARDS FOR JAIL INMATES LEGALLY DECLARED INDIGENT

BE IT REMEMBERED at a regular meeting of the Commissioners Court of Upshur County, Texas held on January 25, 1988, the following ORDER of this Commissioners Court was adopted:

WHEREAS the Commissioners Court of Upshur County, Texas is adopting the payment standards of the 1985 Texas Indigent Health Care and Treatment Act as the Upshur County payment standards of jail inmates legally declared indigent and do not qualify for county indigent health care.

IT IS THEREFORE, ORDERED, ADJUDGED AND DECREED by the Upshur County Commissioners Court that the payment standards of 57% inpatient and 100% outpatient rate be set effective February 1, 1988 and to remain in effect until further orders of this court.

SIGNED this the 25th day of January, 1988.
