MEMO

RE: 45th Annual
Statewide Conference

TO: All County Commissioners Courts

The 45th Annual Statewide Conference for Veterans Service Officers will be conducted by the Texas Veterans Commission, August 31 through September 4, 1992, at the Wyndham San Antonio, IH10 and Wurzbach, San Antonio, Texas.

We urge all County Commissioners Courts to authorize their local Veterans County Service Officers and Assistants to attend this very important meeting. Under current State Law, Section 434.038(a), Texas Government Code, each Veterans County Service Officer and Assistant shall attend Commission Training Session annually to maintain certification.

During this conference, the Service Officers will be involved in classroom study of the various benefit programs that are now being administered for our nation's veterans and their dependents and survivors. The Service Officers will be provided with new and current information pertaining to the State and Federal laws dealing with veterans' programs.

This conference will be most beneficial to all who attend. The knowledge gained will enable your Service Officer to better serve the veterans and their dependents residing in your county. Under the current environment involving budget reductions on every level of government, it is important that Veterans Service Officers know what benefit programs are being affected. This meeting will provide them with this information, which will assist them in rendering competent service and assistance to that portion of our population that is responsible for the many freedoms that we all presently enjoy.

When appropriations are available, the Texas Veterans Commission is authorized to financially assist the Veterans County Service Officers and Assistants defray the cost of attending the training session. Those counties wishing the Texas Veterans Commission assistance for the fall conference and who did not receive any assistance for the Spring Conferences, should contact Richard M. Prete, TVC Headquarters, Austin, Texas, in writing, or on the CSO's WATTS Line.

Sincerely yours,
