Mr. Steve Barbre  
Acsec System Analyst  
Austin, Tx. 78701-3942

Dear Mr. Barbre,  
This letter is in response to the conversation we had at the ETCOG meeting on Aug. 21, 1996 in Kilgore, Tx. in which we discussed the problems with our addressing project. I, along with the Commissioners Court of Upshur County, request that ACSEC analyze our project and identify what problems we have and what problems we may have in the future with our project. As we discussed we are having problems with our vendor trying to complete our project, which is now almost 3 yrs old. Any help that ACSEC could give us would be appreciated. As you know time is of the utmost importance so I would appreciate you expediting this as soon as possible. If you will send me some dates I will make my schedule accordingly. If you need to have our vendor at the meeting I will attempt to contact him and tell him the date of the meeting. Thank you for your cooperation and I will look forward to hearing from you.

Sincerely,

Lt. Robert Cromley
