Dear Mr. Cone:

In response to your letter concerning my contract with Upshur County, my response is as follows, per items noted in your letter:

1. First and foremost, Upshur County is **NOT** at square one, but there does not seem to be anyone bright enough to figure that out yet.
2. edit sheets - there are none.
3. computer software disks - the software and all documentation for MapInfo was turned over to Paula, of the Sheriff's department, at the request of Robert Cromley Paula said she wanted to take them home with her and study them.
4. printer/plotter - being forwarded in separate package.
5. post office information - being forwarded in separate package, and already included in the MapInfo database.
6. telephone company information - none in writing, all digital and already included in the MapInfo database.

As far as the funds are concerned, you are right, I have been paid in full, and you have received a working mapping information system w/maps and database. It is not my fault that the Upshur County Sheriff's office will not implement the system. However, Sheriff Cross told the Court in the fall of 1992 that he would not implement the system, he did not have room for it physically, he did not have the man-power to implement it, and he did not have the budget for it. At that time, the Court decided to turn the system over to the Upshur County Appraisal District for daily maintenance and map revisions. ***The Court believed Sheriff Cross then, and you should believe him now..... he will not implement any system, period.***

The Sheriff has already shown his disdain for the Court and the citizens of Upshur County by foregoing his responsibilities and "giving" away the fire dispatching. The Sheriff's department dispatchers have received no training in the use of the mapping system, because the Sheriff did not want them to. He only had one person trained, Paula, and she was only a part time 911 administrator, along with part time jailer, part time dispatcher, and part time secretary. Numerous training sessions were canceled when Paula had other duties to attend to, and one training session was canceled, after I made the trip back to Gilmer from Dallas, only to find out that Robert Cromley had gone on vacation and nobody bothered to call and cancel the training session. The Sheriff was told numerous times, as was the Court, that the 911 System was a full time job for at least one person, not a part time person with limited computing skills

✓  
2/19/97

Therefore, my response to your request for a return of the funds is no, I feel that I have done my job and you have a viable, working system that the Sheriff simply refuses to implement. And furthermore, it is my belief that the only way that the truth about this project will ever come out and be seen by the citizens of Upshur County is through litigation and court records. My name has been tarnished by the half truths spoken by politicians and bureaucrats and it is time for the whole truth to be told.

Mr. Cone, as you are aware, I called you and gave you my telephone number. I have offered to assist the County with the implementation of this system on numerous occasions. I very much dislike taking this adversarial position, but if that is the way you decide to bring this project to compulsion, then so be it.

Sincerely,

Randall Pritchett

1. DENTRUST agrees to conduct an independent practice of dentistry at the Jail. The COUNTY in turn, agrees to provide DENTRUST with the required space and sufficient time to conduct its dental practice. The COUNTY will allow DENTRUST access to the Jail one day every month and any other time when DENTRUST's services are required as scheduled by either the Jail or DENTRUST.

3. DENTRUST agrees to perform necessary dental services upon any and all County, State and Federal prisoners presently detained at the Jail. In the course of performing said dental services for County, State and Federal prisoners, DENTRUST agrees to adhere to any and all applicable State and Federal regulations governing dental services for prisoners and detainees.

4 DENTRUST agrees that it is responsible for furnishing, at its own expense, all additional necessary equipment and supplies and its own paid personnel, as determined by DENTRUST, for the proper and safe operation of its clinic at the Jail

5. In addition to emergency treatment DENTRUST shall only perform the treatment necessary to control and prevent pain, infection, decay or other abnormalities of the hard and soft tissue within, and immediately adjacent to the oral cavity of any inmate or detainee presently being housed at the Jail DENTRUST shall not perform any cosmetic or other dental services other than the aforementioned, without first obtaining authorization from the Jail Administrator

6. The COUNTY agrees to pay the fees in Appendix "A" for all treatment performed on inmates and detainees housed in the Jail, and that a fee of fifty-five dollars (\$55.00) will be billed to the COUNTY for travel expenses incurred by DENTRUST for each day it operates the clinic at the Jail. This fee will also apply to any emergency calls DENTRUST may respond to

8. The COUNTY agrees to make the medical records available to DENTRUST, in advance of any dental treatment, of any patient expected to be examined or treated by a Dentist provided by DENTRUST. DENTRUST agrees to treat all patients with proper infection control procedures including barrier protection, chemical disinfectants, sterilization, and, where possible, disposable equipment

9. The COUNTY agrees that when a Dentist provided by DENTRUST is in the presence of inmates or other detainees under the jurisdiction of the Jail at least one corrections officer will be

immediately present. At no time will the COUNTY leave any Dentist alone with an inmate or other detainee under the jurisdiction of the Jail regardless of how rehabilitated or trustworthy that inmate or detainee may appear.

10 DENTRUST agrees to maintain the appropriate amounts of Dental malpractice insurance necessary for it to satisfy its obligations under this Agreement. Moreover, this Agreement will not be effective unless and until DENTRUST demonstrates that it possesses said malpractice coverage.

11. The COUNTY agrees that during the terms of this Agreement and for a period of two years after its termination, the COUNTY will not engage, directly or indirectly, any employee or dentist-employee of DENTRUST in connection with the provision of dental services.

12 The terms of this Agreement shall be for three (3) years and may be renewed by mutual consent of both parties, for additional one (1) year terms.

13 It is understood and agreed that either party retains the right to revoke this Agreement at any time, and for reasonable cause, upon ninety (90) days written notice.

14 All notices, approvals, consents and other instruments required or permitted to be given under this Agreement shall be in writing.

15 This Agreement may not be changed, modified or discharged, except in writing, and signed by both parties.

16 This Agreement constitutes the entire understanding between DENTRUST and the COUNTY. There are no understandings, representations, or agreements, either oral or written, other than those set forth herein.

17 Waiver of any provision of this Agreement shall not be deemed a waiver of future compliance herewith and such provisions shall remain in full force and effect.

18 In the event any provision of this Agreement is held invalid and illegal, or unenforceable, in whole or in part, the remaining provisions of this Agreement shall not be affected thereby and shall continue to be valid and enforceable. In the event that any provision of this Agreement is held to be unenforceable as written, but enforceable if modified, then such provision shall be deemed to be modified to such extent as shall be necessary for such provision to be enforceable, and it shall be enforced to that extent.

19. This Agreement shall be construed and interpreted according to the laws of the State of

Judge Charles Still  
P. O. Box 790  
Gilmer, Texas 75644

Dear Judge Still:

The Trade Development Committee of the Chamber of Commerce is sponsoring our Annual Easter Egg Hunt on Saturday, March 29, 1997. The egg hunt will begin at 11:00 a.m. and we are asking your permission to use the courthouse lawn again this year.

Civic clubs and organizations will be donating the eggs, and some Gilmer merchants will be donating prizes for the winners.

Each year the hunt gets a little larger and we hope all area children will turn out again this year for a fun time.

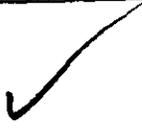

Thanking you in advance.

Sincerely,

Patti Harris, Chairman
