LETTER AGREEMENT

Date: Sept 13, 2006

This Letter Agreement is made and entered into by and between Upshur County, Texas, ("County") and Fayrene Bonebrake, the owner or person legally entitled to possession of the above described property ("Property Owner")

RECITALS

WHEREAS, County is the possessor of certain dirt, silt, or other products of right-of-way dredging which County is desirous of disposing without unjustifiable transportation or stockpiling expenses, and

WHEREAS, Property Owner represents that he is the owner or legal possessor of the referenced property and is desirous of County disposing of said dirt, silt, or other dredging by-products upon Property Owner's property for Property Owner's utilization of the same; and

NOW, THEREFORE, in consideration of the mutual benefits to the parties hereto, the parties agree as follows:

- 1 Property Owner hereby expressly gives permission for County, through its Road Department, to enter on Property Owner's property, hereby authorizing necessary rights of ingress, egress and regress therefrom for the purpose of disposing of certain dirt, silt or other by-products of right-of-way dredging
2. County agrees that it will use due care to avoid damage to Property Owner's land in the disposal of said materials upon Property Owner's property, nevertheless, Property Owner agrees that Upshur County and its agents disposing of these materials onto Property Owner's property will not be held responsible for any related damage in connection with said disposal of these materials onto Property Owner's land, and Property Owner hereby agree to indemnify and hold County harmless from contents of the dredged material and from any and all other damages to persons or property associated with County's placing said material on Property Owner's property
- 3 Both parties agree that this letter agreement contains the parties' entire agreement.

SPECIAL ROAD USE AGREEMENT CONTRACT

THE STATE OF TEXAS }
COUNTY OF UPSHUR }

KNOW ALL MEN BY THESE PRESENTS.

The undersigned, Double R Construction, hereinafter referred to as First Party, enters into an agreement with Upshur County Commissioner of Precinct No. 1 Upshur County, and in order to get material to market it is necessary to use a portion of Upshur County roads located in Precinct No. 1, over which Commissioner has jurisdiction and obligation to maintain in good repair, and both parties being aware of possible damage to said roads as a result of hauling on and over same, enter into the following agreement:

1.

First Party agrees to use only that section of (described exact route, direction and miles in tenths)

.8 mile on Mackey to Martin 1.8 miles.

2.

First Party agrees to use its vehicles in such a manner as not to block or interfere with other traffic on said road, so that said road will be open to travel by the public at all times.

3.

First Party agrees to grade, maintain and otherwise repair said road, using its own equipment, labor and materials, if any needed, during the duration of time that First Party is removing logs from lands location in Precinct No. 1, Upshur County.

4.

First Party agrees to put said road back into same condition as it was prior to the commencement of hauling operations on the part of First Party.

5.

First Party agrees to POST SURVEY BOND in the amount of \$-0-, to Upshur County Commissioner's Court to insure performance of agreement.

6.

Nothing herein shall be construed as a waiver by the Commissioner of the authority granted him by Article 6716, V.A.C.S., but the rights and authority granted the Commissioner by the terms of Article 6716, V.A.C.S., are expressly reserved by the Commissioner in the event First Party fails to abide by the conditions above set forth.

APPROVAL OF PERMIT APPLICATION

The Upshur County Commissioners Court offers no objection to the location on the right of way of your proposed Culvert as shown by accompanying drawings and notice dated September 22, 2006, except as noted below.

It is expressly understood that the Upshur County Commissioners Court does not purport, hereby, to grant any right, claim, title or easement in or upon this county road; it is further understood that in the future should for any reason Upshur County need to work, improve, relocate, widen, increase, add to or in any manner change the structure of this right of way, this appurtenance, if affected, will be moved under the direction of the Upshur County Commissioners Court representative and shall be relocated at the expense of the owner within thirty (30) days upon receipt of notice from the Commissioners Court.

All work on the County right of way shall be performed in accordance with the Commissioners Court instructions. The installation shall not damage any part of the roadway and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Specifications for placing this line are as follows.

1. Barricades, warning signs, lights and flag men when necessary shall be provided by the contractor or owner. One half of the traveled portion of the road must be open at all times.
2. All lines, where practicable, shall be located or cross roadbed at approximately right angles. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.
3. Parallel lines will be installed as near the right of way lines as possible and no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the County Commissioners Court.
4. Overhead lines will have minimum clearance of 18 feet above the road surface at the point of crossing.

5 Operations along roadways shall be performed in such a manner that all excavated material be kept off the surface at all times, as well as all operating equipment and materials. No equipment for installation procedures will be used which will damage any road surface, roadbed, structures or other right of way feature. Any expenditure that is a direction result of this installation will be borne by owner of this line.

6. All lines under roads carrying pressure in excess of 50psi shall be enclosed in satisfactory casing extending from the right of way line to right of way line. Pipe used for casing may be of any type approved by the County Engineer or Commissioners' Court and shall be capable of supporting load of roadbed and traffic and shall be so constructed that there will be no leakage of any matter through casing for its entire length; inside diameter of casings shall be at least 2 inches greater than the largest diameter of carrier pipe, joints or couplings.

7. All excavations within the right of way and not under surfacing shall be backfilled by tamping 6 inch horizontal layers.

8 Any material placed in County right of way by permit will be of a nature or composition that said line can be located with the use of a standard locator device used in locating buried cables and pipes.)

9. Lines crossing under roads and under cross roads within the right of way will be placed by boring. Boring shall extend from crown line to crown line Gravity flow sewer lines under roadway will be cast iron or equivalent pipe.

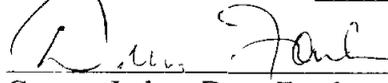

10. Where evidence is presented indicating the impracticability of boring or tunneling, the Commissioners Court may grant permission to cut the surface no wider than 4 inches. In the event a cut is permitted the following conditions will govern (a) Excavation areas are to be filled and packed with compatible material; (b) The surfacing will be replaced with equivalent quality surfacing.

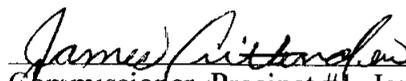

11. Notice will be given to the precinct Commissioner 48 hours prior to starting construction of the line in his precinct.

12. Where in the opinion of the Commissioners Court it may be necessary to protect losses incurred by damage to the roads, bridges or right of way structure, they may by action of the Court require a surety bond in an amount sufficient to cover any damages.

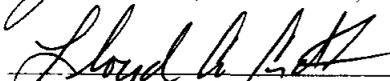

13. Where, in the opinion of the Commissioners Court, an inspector is necessary, the party receiving permit will bear the cost of inspection

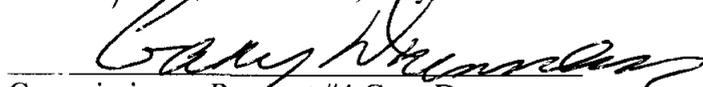

APPROVED ON THIS 29 DAY OF SEPTEMBER, 2006.

RE: COBRA rates

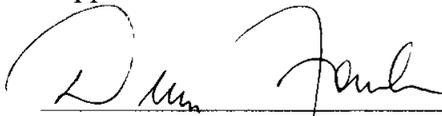

Dear Linda,

Effective October 1, 2006, the COBRA rates for the Medical/Dental plans will not change. The monthly COBRA rates are based on maximum claim liability and monthly fixed costs. The suggested rates below are the maximum rates the plan can charge for COBRA participants. These calculations do include the 2% administrative fee that all COBRA participants will remit.

COBRA rates – Medical/Dental

Employee Only	\$735.09
Employee/Spouse	\$888.35
Employee/Child	\$825.00
Employee/Children	\$830.97
Employee/Family	\$928.15

I approve the COBRA rates listed above for the plan year 10/1/2006-9/30/2007.

Authorized Signature

DEAN FOWLER 9/29/06

Printed Name/Date

Please sign above approving the COBRA rates for the plan year listed and fax back to my attention at 972-587-1459. If you have any questions please do not hesitate to contact me at 972-744-2540.
